Independently Published, United States, 2019. Paperback. Condition: New. Language: English. Brand new Book. Rarely does a work of military strategy elevate its vision beyond merely military concerns. Rarer still are strategies that compel the wise engagement of our military with the broader polity they serve-the American people. The strategy you are about to read is this rare exception. American Aerospace Power: Choosing to Lead in the Twenty-First Century offers a compelling vision for sustaining the American way of life for the next hundred years. As challenges to world order and the American way of life appear around every corner, our instinct might be to ask, "What do we do now?" Wiser strategists, however, ask where have we been? Where have we historically gained our strength, preserved our advantage, and developed one of the most prosperous societies in the history of the world? This essay looks forward by first looking back, and it finds that America's strengths as an aerospace nation laid the foundation for our unmatched prosperity over the past 100 years. This is a story of civil-military partnerships at their finest, harnessing the innovation of industry, the insight of academia, the strength of the military, and the sweat equity of...
