Independently Published, United States, 2017. Paperback. Condition: New. Language: English. Brand new Book. Russel, a struggling high school student who's doing his best at growing up on the demanding streetz of T.O., surrounds himself with a crowd of teens who have access to drugs, money, cars and consequence-free sex. These teens live entirely in a world of their own. Other people - adults - basically do not exist. They represent a failure of home, school, church and society. As your read this book, I hope you realize why every person needs whatever mix of art, education, religion, philosophy, and poetry that works for him or her - because without something to open your eyes to the higher possibilities in life, we might all be "Jeves." Life has given these teens nothing of interest, except for sex, drugs, and cash-money. Their delirious lives are a kind of hell, briefly interrupted by brief moments of spaced-out ecstasy.
